Celebrating a Meaningful Legacy

Rhonda Knotts

Rhonda Knotts learned of Dress for Success Phoenix when she saw a retail store flyer encouraging the donation of professional attire for women in need. Not interested in just giving money away, she donated a number of business suits and clothing to this local effort in Tucson.

Fast forward a number of years and still wanting to help people help themselves, she made Dress for Success Phoenix a beneficiary of her trust.

Due to our programming at Dress for Success Phoenix, Rhonda's desire to become a catalyst for helping others help themselves was perfectly achieved through this action and gave her a true 'feel good' sense knowing that she was making a difference for so many women wanting to gain or regain their footing in the business world and achieve economic independence.

Rhonda looks forward to being an **Empower Her Legacy Circle** member and keeping up with our organization — thank you Rhonda!
